01

BUILT
FOR YOU

Completely Custom, Built For You.

Every single Flight School is custom-designed to fit the unique needs and desires of your specific event — tailored to your facility, your budget and your local scene.

The coach lineup

The timing

The daily schedule

The whole planning process

10 years
running

The Winterclash Standard.

For a decade we have run the official Flight School at **the world's biggest indoor event** — the perfect team of elite coaches, the timing dialled, the curriculum matched to the intensity. We adapt that exact same premium execution to fit your weekend perfectly.

03 / A DAY IN THE BUILD

A Sample 4-Hour Schedule.

Every minute is customised — this is one example build.

10:00	Introduction, Warm-up & Course Breakdown
10:45	Theory & Practice — using the course to impress the judges
11:45	Mid-Session Fuel — healthy snacks & quick hydration
12:00	Heavy Hitting — 1-on-1 coaching on lines & competition runs

13:15	Skatepark Games & High-Energy Challenges
13:45	Certification Ceremony & Awards — the riders' time to shine
14:00	Flight School wraps up.

Certification for every rider

Each skater leaves with a certificate and a moment in the spotlight.

05 / THE MISSION

Why We Do This.

We are **community builders**. Our model is proven across a decade of global success, backed by a massive worldwide family of skaters.

Measurable skill improvement — a better, more professional competition for your spectators, across every category.

06

ZERO
HASSLE

We Take Care Of It All.

Once we work out the basics together, our team handles everything — from custom promo flyers and social designs to a seamless, easy registration setup. You stay 100% focused on running your main event.

Flexible Financial Models

From registration splits to flat rates — custom-built to match your budget and goals.

Exclusive & Limited

Spots are strictly capped for elite, one-on-one coaching — creating instant urgency in your scene.

07 / THE PAYOFF

A Real Win-Win.

Riders get hooked.

We aren't here to see them once. We build a lifelong continuum — a worldwide family where skaters support each other.

Your event levels up.

That loyalty turns into drastic gains in show quality — riders training alongside world champions — and a bigger turnout. A win for everyone involved.

LET'S WORK TOGETHER

Let's Build It Together.

Tell us about your event. We'll custom-design a Flight School that adds massive value to what you're already building.
